BEAUTIFUL, STYLISH AND SOPHISTICATED AMBIENCE

MEMORIES OF A SPECIAL PERSON

The **Norwood House Hotel** recognises that Funerals or Memorial Services are a very difficult time with a huge amount of things to do for the family concerned. With personal care & attention from the time of contact, we will ensure that the family is able to concentrate on the funeral arrangements, knowing that the memorial service is taken care of sensitively and caringly.

The **Norwood House Hotel** offers total exclusivity for the gathering of family and friends and will tailor a menu to suit individual requirements and budget whether it be a Funeral Tea, Light Lunch or finger food to a more formal dining occasion of hot & cold home-cooked selection.
